FOR IMMEDIATE RELEASE

**SocioAfrica and SocioAsia Declare Christianity, Islam, and Judaism as
One — United Under the Children of Abraham**

A Global Call for Faith, Peace, and Religious Unity

[Lagos, Nigeria / Asia — October 2025] — In a groundbreaking declaration aimed at healing centuries of religious division, **SocioAfrica** and **SocioAsia** have jointly announced that **Christianity, Islam, and Judaism are one family under God — united as the Children of Abraham.**

The announcement, described as “*a divine call for global spiritual reconciliation,*” urges the faithful of all Abrahamic religions to recognize their shared roots and divine purpose. The initiative advocates peace, compassion, and cooperation among believers — transcending the barriers that have historically divided humanity.

“We Are All Children of Abraham”

The declaration emphasizes that all three religions — Christianity, Islam, and Judaism — originate from one divine covenant and one Creator.

“God never divided humanity — we did,” the statement reads. “It is time to return to the original covenant of Abraham: unity under one God and peace among all His children.”

SocioAfrica and SocioAsia call on religious and political leaders worldwide to join this movement for **Abrahamic unity**, embracing love, tolerance, and truth as the foundation of a peaceful world.

Faith as a Bridge, Not a Barrier

The initiative introduces a new era of *spiritual diplomacy*, emphasizing that faith should unite rather than divide.

The two organizations advocate the recognition of shared principles — justice, mercy, compassion, and truth — as the moral pillars of governance, leadership, and humanity.

By reaffirming the brotherhood between Christians, Muslims, and Jews, the declaration calls for global cooperation in addressing poverty, war, and social inequality — reminding all believers that **service to humanity is service to God**.

A Global Invitation

SocioAfrica and SocioAsia invite all nations, communities, and faith-based institutions to endorse and participate in this **Universal Covenant of Peace**.

The organizations plan to collaborate with interfaith leaders, governments, and civil movements across Africa, Asia, Europe, and the Americas to promote religious harmony and shared human dignity.

Official Statement

“The time has come to end division in the name of religion,” the statement concludes.

“We are one under the Living God — the same God of Abraham, the same

Creator of Heaven and Earth. Let faith unite, not separate. Let love rule, not fear.”
