**The Presidency**

Aso Rock Villa  
Abuja, Nigeria,

Your Excellency,

**President Bola Ahmed Tinubu, GCFR**

President, Federal Republic of Nigeria

**Your Excellency,**

On behalf of **SocioAfrica**, I extend sincere commendation to you for the decisive and visionary security reforms you implemented in **November 2025**, reforms which have already begun reshaping Nigeria's fight against terrorism, kidnapping, and insecurity.

Your recent actions reflect a bold commitment to restoring peace, rebuilding trust in national institutions, and protecting the lives of ordinary citizens across the nation.

## Commendation of Your November 2025 Security Decisions

### 1. Withdrawal of Police Personnel from VIP Protection

Your directive ordering the **withdrawal of police officers from VIP escorts** and redeploying them to frontline policing is a historic shift.

For decades, Nigeria's police manpower has been heavily tied down in VIP protection while communities faced armed attacks, banditry, and terror threats.

Your bold order — with an estimated **100,000 officers now reassigned** — prioritizes **citizens over elites**, and **communities over privilege**.

This is a leadership decision rooted in justice, accountability, and service.

### 2. Approval of 30,000 New Police Recruits

By authorizing the recruitment of **30,000 additional officers**, you have strengthened Nigeria's capacity to respond to terrorism, kidnapping, and violent crime.

This expansion will support community policing, intelligence gathering, and rapid response in high-risk regions.

### 3. Renewed Commitment to Rescuing Kidnap Victims

Your reforms come at a critical moment as Nigeria faces heartbreaking kidnapping incidents.

In November alone:

- **253 students and 12 staff** remain missing after a school abduction in Niger State, though
  - **50 students bravely escaped**, and
- **38 church worshippers in Kwara State were successfully rescued**.

Your focus on restructuring security operations directly addresses this national tragedy and reinforces the hope that future attacks will be prevented and victims safely returned.

### 4. Strategic Reorientation Against Terrorism & Banditry

Your clear priority — shifting manpower and attention toward frontline operations — sends a powerful message that Nigeria is taking a more aggressive, coordinated stance against terrorism and banditry.

By empowering the police, restoring their core functions, and reducing VIP dependence, you are strengthening the national resolve to defeat violent extremism.
