SOCIO TECHNOLOGIES LIMITED

SocioAfrica & SocioAsia

Bringing Africa & Asia Closer for Socio Economic Development

July 27th, 2026

Dear Fellow Nigerians,

Nigeria is more than the land we inhabit—it is our shared home, our identity, and our collective responsibility. Regardless of our ethnic background, religion, language, political beliefs, or region, we are united by one flag and one nation.

At **Socio Technologies Limited**, together with **SocioAfrica** and **SocioAsia**, we believe that national progress begins with a renewed sense of patriotism, unity, and pride. Every great nation is strengthened by citizens who value their identity and are committed to building a better future.

As part of our ongoing "**Nigerian Flag on Every Digital Device**" initiative, we invite every Nigerian, both at home and across the diaspora, to proudly display the **Nigerian Flag** as the wallpaper on

your mobile phones, tablets, laptops, desktop computers, smart televisions, and other digital devices.

This simple gesture is not about politics or division. It is about celebrating our shared identity and expressing confidence in the future of our country. Every time we unlock our phones or switch on our computers, the Nigerian Flag can serve as a reminder that we all have a role to play in building a stronger, safer, more prosperous, and more united Nigeria.

We encourage every citizen to:

- Set the Nigerian Flag as the wallpaper on your digital devices.
- Encourage your family, friends, classmates, and colleagues to do the same.
- Share positive messages about Nigeria on social media.
- Promote peace, unity, respect, and responsible citizenship in your communities.
- Support initiatives that contribute to Nigeria's socio-economic development.

Our nation's greatest strength lies not only in its natural resources but also in the determination, creativity, resilience, and compassion of its people. Together, we can inspire a culture of national pride that transcends differences and focuses on our common aspirations.

At Socio Technologies Limited, through the missions of SocioAfrica and SocioAsia, we remain committed to supporting initiatives that encourage civic engagement, digital inclusion, innovation, entrepreneurship, and socio-economic development for Nigeria, Africa, and beyond.

Let us proudly carry the green and white wherever we go—both physically and digitally. Let every screen become a symbol of hope, unity, and our shared commitment to a brighter future.

Nigeria belongs to all of us. Together, let us honor our flag, celebrate our nation, and work collectively toward lasting progress.

God bless the Federal Republic of Nigeria.
