Bringing Africa & Asia Closer for Socio Economic Development

August 2nd, 2026

Dear Fellow Nigerians,

On behalf of **Socio Technologies Limited**, together with our initiatives **SocioAfrica** and **SocioAsia**, I am pleased to invite every Nigerian, both at home and abroad, to participate in our ongoing campaign to promote the **Nigerian National Flag** by displaying it as the wallpaper on mobile phones, tablets, laptops, desktop computers, and other digital devices.

The Nigerian flag is a powerful symbol of our unity, resilience, diversity, and hope. Regardless of our ethnic background, religion, political views, or geographical location, we all share one nation and one future. By proudly displaying our national flag on the devices we use every day, we can reinforce a spirit of patriotism and

remind ourselves of our shared responsibility to build a stronger, more prosperous Nigeria.

As technology continues to shape our daily lives, it also provides an opportunity to promote positive national values. Every digital screen displaying the Nigerian flag can serve as a simple but meaningful expression of pride, unity, and commitment to our country's development.

We therefore encourage all Nigerians—including students, professionals, entrepreneurs, civil servants, business owners, members of the Armed Forces, the Nigerian diaspora, and every citizen—to join this movement by setting the Nigerian flag as the wallpaper on their digital devices and encouraging others to do the same.

Together, let us celebrate our identity, strengthen our unity, and inspire a renewed sense of national purpose.

We believe that a united people can achieve extraordinary progress, and every positive action, no matter how small, contributes to the future we all desire.

Thank you for your continued support and commitment to building a stronger Nigeria.

Yours faithfully,

ISSUED UNDER AUTHORITY:
